Certain choices transcend mere design: they are the expression of a unique style, a personal story. We believe that every detail, every surface, has the power to communicate something special. Trame di Pietra approach is not just about selecting materials and shapes, but embracing a true creative journey.

Alcune scelte vanno oltre il semplice design: rappresentano l'espressione di uno stile unico, di una storia personale. Crediamo che ogni dettaglio, ogni superficie, possa trasmettere qualcosa di speciale. L'approccio di Trame di Pietra non consiste solo nella selezione di materiali e forme, ma nell'abbracciare un autentico percorso creativo.

TRAME DI PIETRA®

TRAME DI PIETRA

Three Steps to unlimited Combinations.
Design begins with choice. With 21 textures, 20 porcelain colors and 5 natural stones in multiple sizes, the possibilities are endless.

Start with Textures, selecting from a variety of engraved patterns that add depth and character.
Move to Materials, where 20 porcelain shades and 5 exquisite natural stones offer limitless aesthetic solutions.
Finally, define the Sizes, choosing the perfect format to fit any space.

Dalla Materia alla Forma: Infinite Possibilità
Personalizza le superfici con infinite combinazioni di texture, materiali e formati. Con 21 texture, 20 colori in grès porcellanato e 5 pietre naturali, ogni superficie prende vita con carattere e armonia.

Scegli le Texture per aggiungere profondità e movimento.
Definisci i Materiali, tra grès porcellanato e pietre naturali dalle sfumature uniche. Completa il progetto con i Formati, per un perfetto equilibrio tra estetica e funzionalità.

TEXTURES

The journey begins with selecting the perfect texture.
Our two collections range from bold geometric patterns to refined elegance, offering solutions for every style.

Il primo passo è la scelta della texture ideale. Le nostre due collezioni spaziano dalle geometrie audaci all'eleganza raffinata, adattandosi a ogni stile.

MATERIALS

Shaping the finest in natural stone and porcelain.
Our engraving technique brings unique patterns to life on carefully
selected natural stone and porcelain.

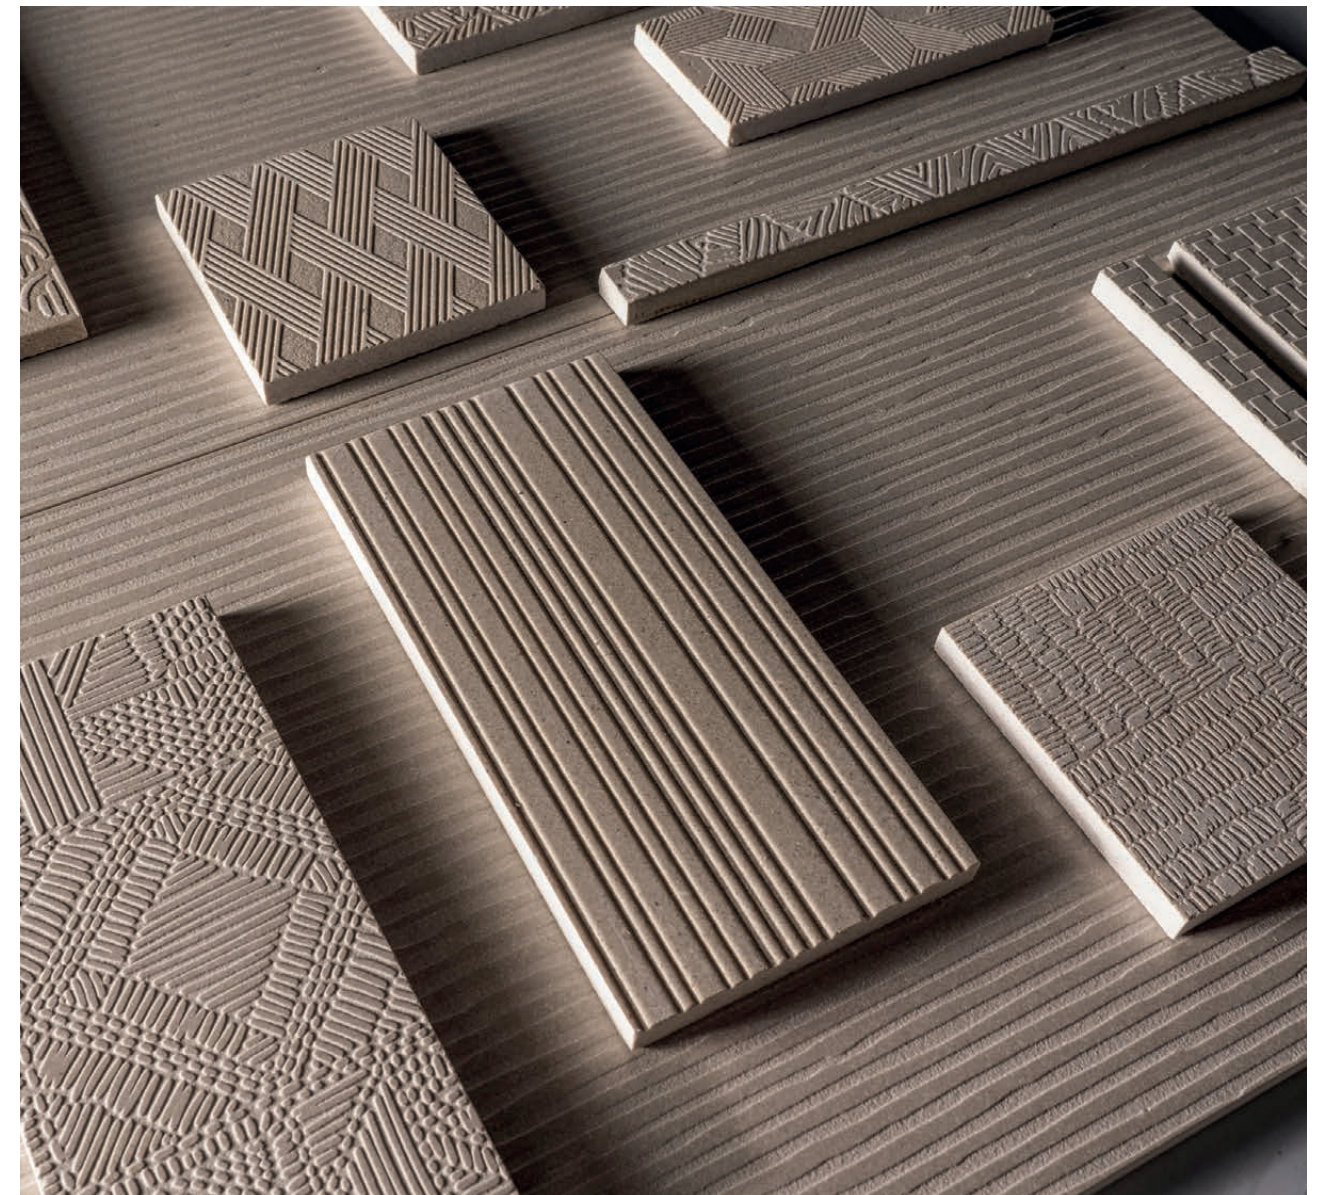

Diamo una nuova forma alla pietra naturale ed al grès porcellanato.
Grazie alla nostra tecnica di incisione, trasformiamo materiali
selezionati con cura in superfici uniche, che ridefiniscono il
concetto di materia e spazio.

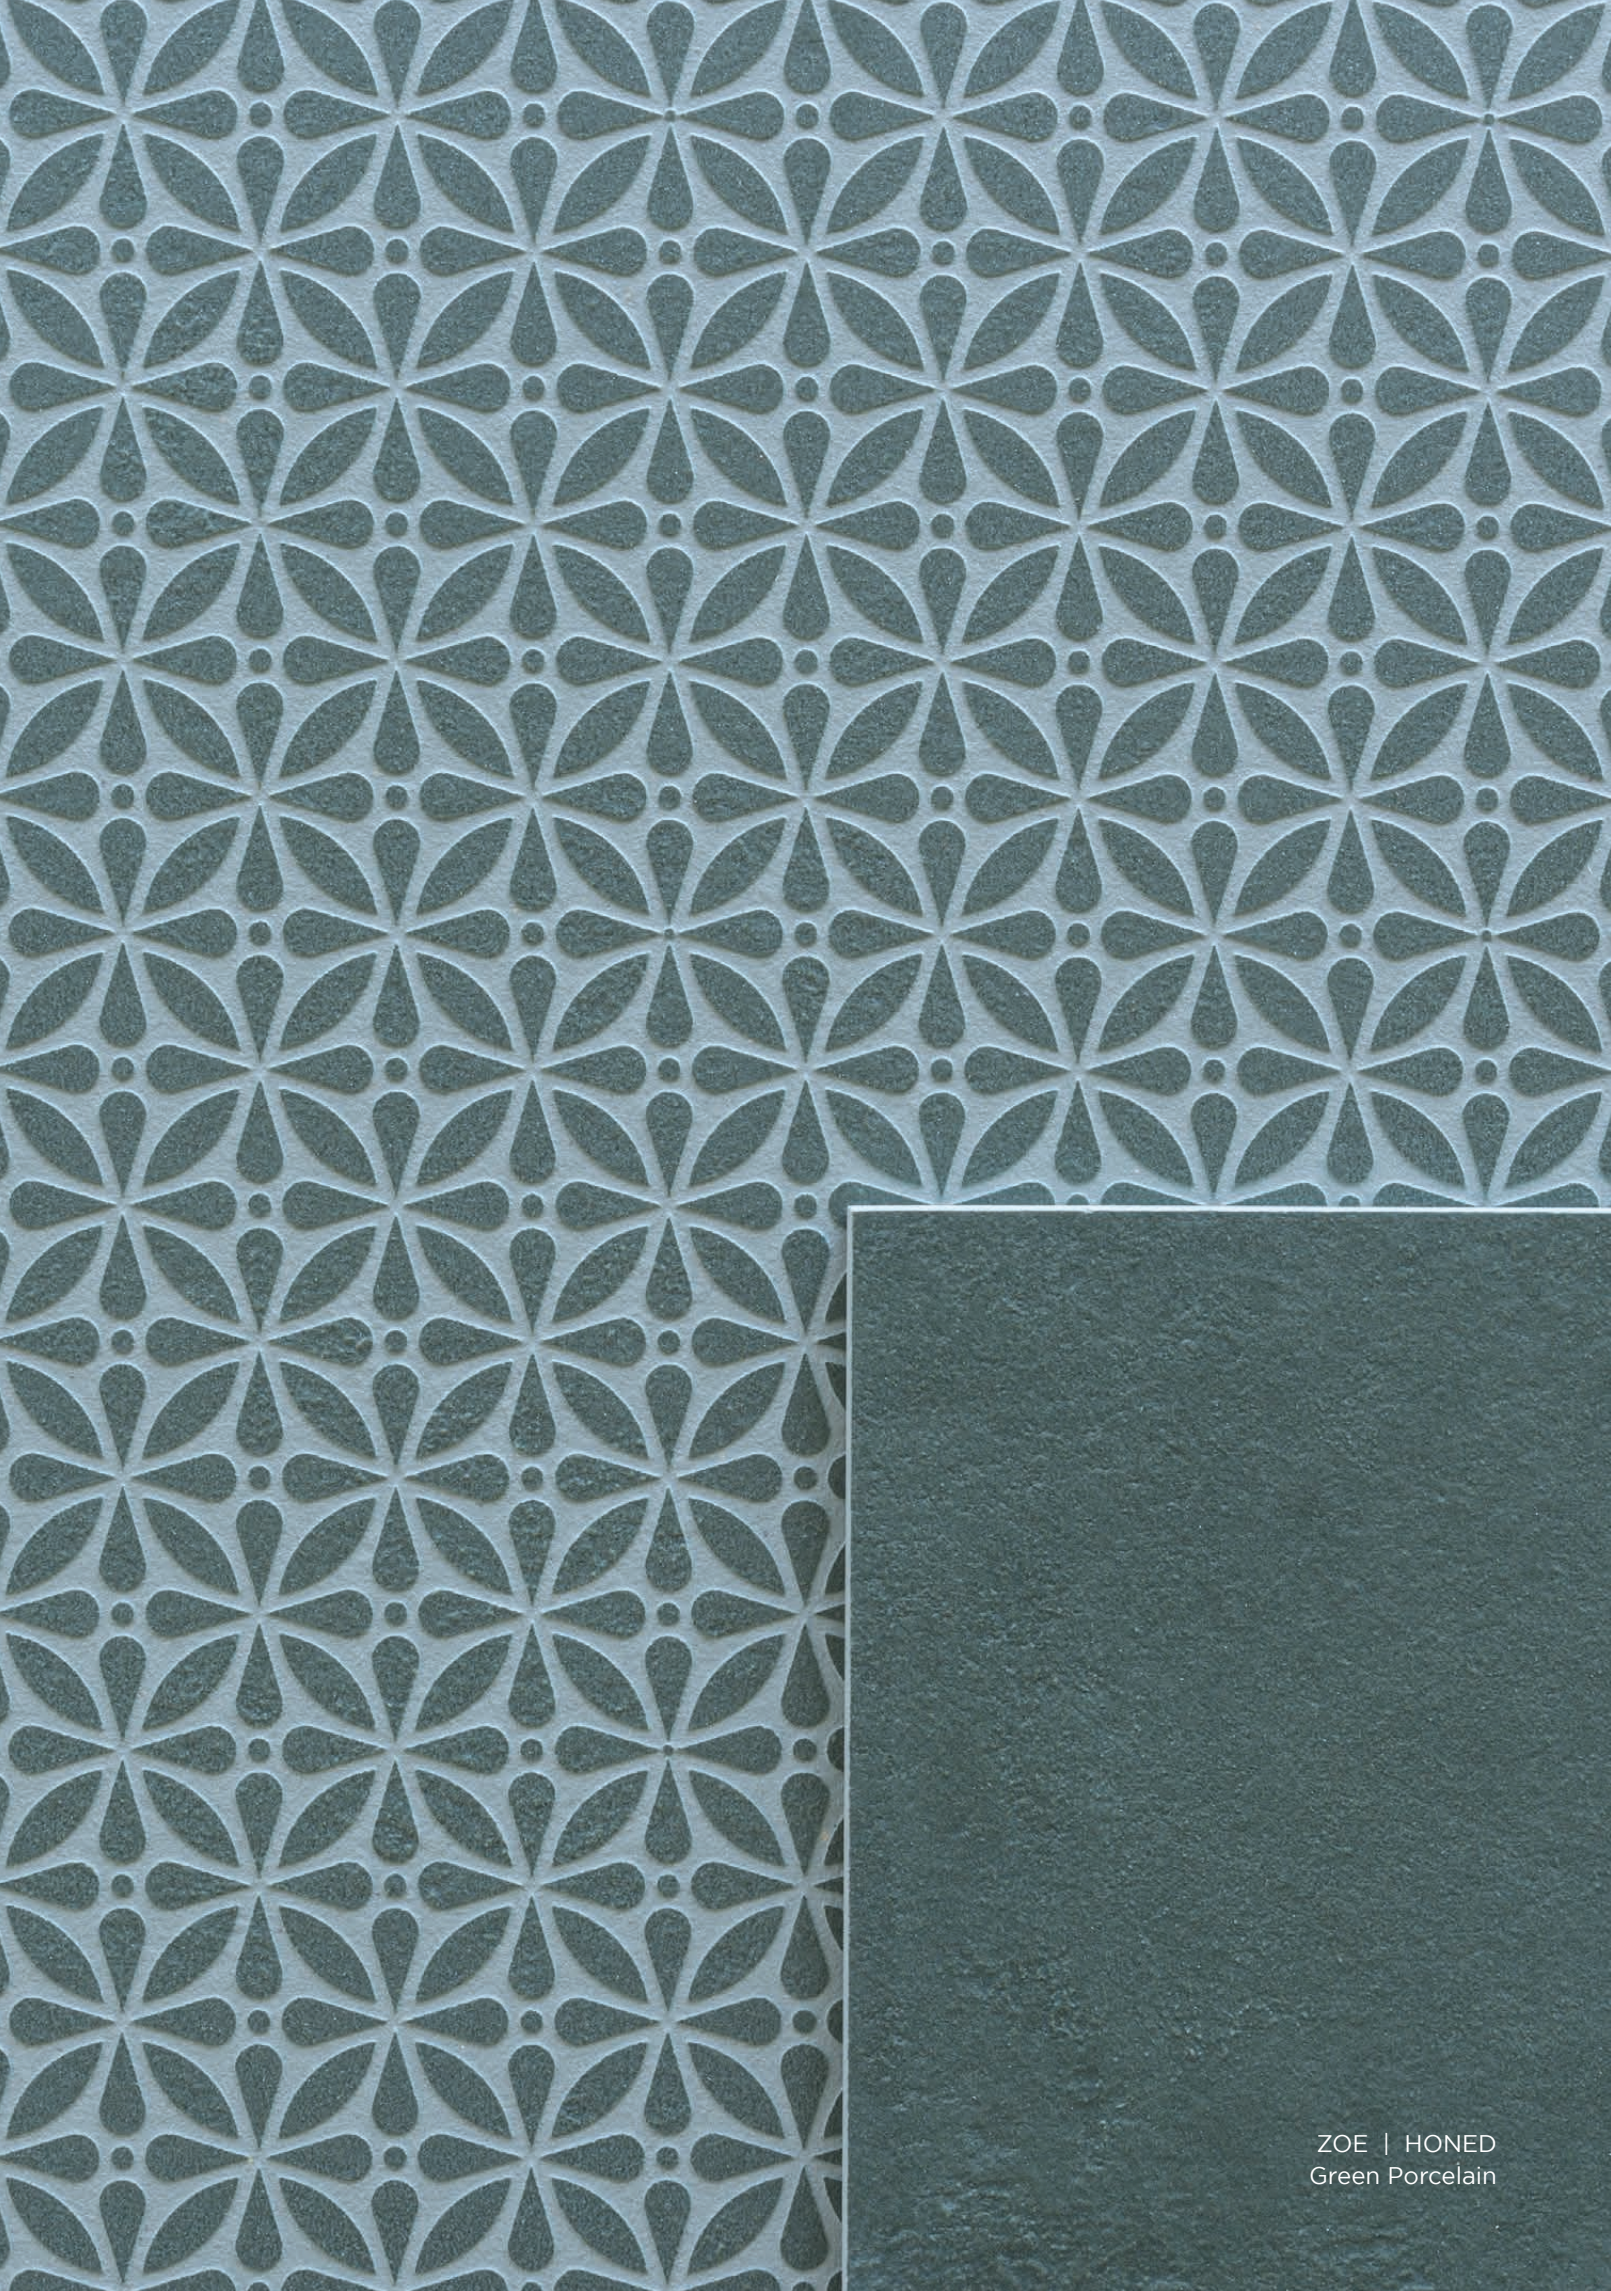

SIZES

The balance of shapes. Proportions that define harmony.
It's not just about size, every choice adds
its own harmony and flow to the space.

L'equilibrio delle forme. Proporzioni che creano armonia.
Non è solo una questione di dimensioni: ogni scelta
contribuisce a definire il ritmo e l'armonia degli spazi.

NATURAL STONE

Each surface tells a unique story.
The stones and marbles selected are more than materials.
They are testaments to natural beauty shaped over time.

Ogni superficie racconta una storia unica.
Le pietre e i marmi selezionati non sono semplici materiali,
ma espressioni di una bellezza naturale scolpita dal tempo.
